

# 1 Get Lucky

key: Am, Capo: 2nd

Like the legend of the Phoenix  
All ends with beginnings  
What keeps the planets spinning  
(uh)

The force from the beginning  
We've come too far to give up who  
we are  
So let's raise the bar and our cups  
to the stars

She's up all night to the sun  
I'm up all night to get some  
She's up all night for good fun  
I'm up all night to get lucky

We're up all night to the sun  
We're up all night to get some  
We're up all night for good fun  
We're up all night to get lucky

We're up all night to get lucky  
We're up all night to get lucky  
We're up all night to get lucky  
We're up all night to get lucky

The present has no ribbon  
Your gift keeps on giving,  
What is this I'm feeling?  
If you wanna leave I'm with it (ah)

We've come too far to give up who  
we are  
So let's raise the bar and our cups  
to the stars

She's up all night to the sun  
I'm up all night to get some  
She's up all night for good fun  
I'm up all night to get lucky

We're up all night to the sun  
We're up all night to get some  
We're up all night for good fun  
We're up all night to get lucky

We're up all night to get lucky  
We're up all night to get lucky  
We're up all night to get lucky  
We're up all night to get lucky
